## **What You'll Get**
This **5-page, actionable PDF** helps you:
✔ **Block unknown contacts** and prevent unauthorized purchases
✔ **Set age-appropriate privacy** in <2 minutes
✔ **Spot scams** before they happen (e.g., fake job offers, phishing links)
✔ **Report incidents** using Roblox's official procedures

**Why It Works for Expats:**
- Adjusts settings for region-locked accounts
- Recognizes scams in Spanish/Mandarin
- Aligns with GDPR/CCPA for privacy-sensitive regions

---

## **Table of Contents**
1. **Account Settings** (2FA, privacy controls, region locks)
2. **Privacy Controls** (blocking strangers, disabling public chat)
3. **Scam Red Flags** (fake job offers, suspicious avatars)
4. **Spending Limits** (set daily purchase caps)
5. **Reporting Procedure** (step-by-step guide to Roblox's support)

---

## **Sample Checklist Section**
### **1. Account Settings**
- [ ] Enable **two-factor authentication (2FA)** via email/app
- [ ] Set account to **"Private"** (block strangers from messaging)
- [ ] Enable **"Region Lock"** to your child's country

### **2. Red Flags to Watch For**
```

- [ ] Fake job offers (e.g., "Work from home for $100/day")
- [ ] Suspicious links (e.g., "Click here to claim your prize!")
- [ ] Avatars matching real-life photos (e.g., identical to family members)

3. Platform Settings
- [ ] Disable **public chat** in all games
- [ ] Block and report suspicious users **immediately**
- [ ] Set **daily spending limit** to $5 (adjust based on your child's age)

How to Use This PDF
1. **Print & keep it handy** (for quick reference)
2. **Share with family/friends** (password-protect if needed)
3. **Update settings weekly** (Roblox changes frequently)
