# Free Conservatory Audition Prep Planner (PDF + Notion Template) – Violin, Piano, Voice & All Instruments

## Your Instrument-Specific Success Blueprint for Conservatory Admissions

---

## Core Features

### 1. Instrument-Specific Templates
- **Pre-built frameworks** for all major instruments (violin, piano, voice, woodwinds, brass, percussion, guitar)
- **Customizable fields** for unique requirements (e.g., "unaccompanied recording specs" for violinists, "accompanist requirements" for vocalists)
- **Example:** Download the free PDF to see Juilliard violin prescreen requirements vs. Curtis vocal pedagogy exam details

### 2. Advanced Repertoire Tracker
- **Status tracking:** Planned → Practicing → Memorized → Performed
- **Mandatory submission fields** for each conservatory:
  - Recording format (e.g., "single-take, no edits")
  - Video length limits
  - Accompanist requirements
  - Prescreen vs. live-round distinctions
- **Example:** Compare Juilliard violin (no edits) vs. Curtis piano (specific camera angles)

### 3. Precision Application Timeline
- **Instrument-specific deadlines** (e.g., "Violin prescreen due 3 months before audition")
- **Dynamic checklist** that updates based on your instrument
- **Example:** Vocalists see "Vocal Pedagogy Exam" while pianists get "Technical Exam" requirements

### 4. Comprehensive Theory Prep
- **Instrument-specific theory requirements** (e.g., 4th position scales for violin, 3-octave scales for piano)
- **Interactive exercises** with answer keys
- **Practice log** to track progress (Notion template includes progress bars)

### 5. Admissions Checklist
- **Document requirements** for each conservatory
- **Application status tracker** (Notion template syncs with calendar)
- **Essay prompts** for personal statements (with word count trackers)
