5. Email List Maintenance
Monthly Newsletter Template:
- **Subject Line:** *"New Safety Tip: How to Prevent Pipe Bursting in Winter"*
- **Content:**
  - 1 safety tip (e.g., "Inspect pipes every 6 months to avoid freezing damage").
  - 1 compliance update (e.g., "New OSHA rule for 2024: Mandatory fall protection").
  - CTA: *"Share this with a colleague: [Share Link]"*

Segmentation:
- **High-Engagement Segment:** Offer a free bonus (e.g., "Advanced Safety Guide").
- **Low-Engagement Segment:** Send a re-engagement email (e.g., "Missed our last tip?").

---

6. Monitoring & Kill Rule
Checkpoint: After 48 hours, track:
- **Sign-ups:** Minimum 50 to proceed.
- **Open Rates:** Aim for 20%+.
- **Click-Through Rates (CTR):** Aim for 5%+.

Kill Rule:
- If **<50 sign-ups in 48 hours**, pause and:
  - Refine messaging (e.g., add urgency: *"Only 10 spots left!"*).
  - Test a different audience (e.g., HVAC contractors).

Boost Rule:
- If **>100 sign-ups**, proceed to **Clone Rule** (duplicate the campaign).

---

7. Next Steps (After 48 Hours)
If Sign-ups Are Strong (≥50):
- **Clone Rule:** Duplicate the campaign to new audiences (e.g., electricians, HVAC).
- **Upsell:** Offer a premium version (e.g., *"Pro Version: $29/month for updates"*).

If Sign-ups Are Weak (<50):
- **Refine:** Test a new headline (e.g., *"Stop Fines: Free Plumber Safety Checklist"*).
- **Expand:** Try LinkedIn ads targeting "Plumbing Contractors."

Final Notes:
- **Price:** $0 (free download).
- **Maintenance:**
  - Update swipe file quarterly.
  - Refresh SEO monthly.
- **Channel:** Owned-site (landing page + organic promotion).
