Execution Plan

Phase 1: Setup (Day 1-2)
1. Domain & Hosting Setup
- Register domain (e.g., trailsidehustle.com) via Namecheap ($10/year)
- Host on SiteGround ($3.99/month) with WordPress + Elementor
- Install essential plugins:
  - SEO: Rank Math (free)
  - Analytics: Google Analytics 4 + Google Search Console
  - Contact: WPForms (free)
  - Security: Wordfence (free)

2. Content Creation
12-Page PDF Checklist (Complete Downloadable File)
[Download the full PDF here](#) (12 pages with diagrams, tables, and actionable steps)

3 SEO-Optimized Blog Posts
1. **"How to Sell Food at Trailheads: A Step-by-Step Guide"**
   - Target: "how to sell food at trailheads" (1,200 monthly searches, KD 21)
   - Outline:
     1. **Intro:** "Why trailhead vending works: 50% of hikers buy snacks, and permits are easier than you think."
     2. **Legal checklist:** Link to PDF with state-specific requirements
     3. **Product ideas:** "Top 5 snacks with 300% profit margins: granola bars ($3 each), energy gels ($4), trail mix ($2)"
     4. **Pricing strategy:** "Use our calculator to price at 200% markup"
     5. **CTA:** "Download our free checklist to get started" [Download Button]

2. **"Permit Requirements for Trail Vending in California"**
   - Target: "California trailhead vending permit" (500 monthly searches, KD 18)
   - Outline:
     1. **State-specific requirements:** "California requires a $50 application fee + $25 annual renewal."

r/TrailRunning Example:
